

Glass kettle floor display

BAC-display adhered to the principle of "quality is the life", to provide customers with the best quality, the most competitive prices, the first-class after-sales service. We customized the Glass kettle floor display with the client's request. And we serviced many clients from all over the world. Hope you would be the next partner of us.

This Glass kettle floor display is putted in the hypermarket to display your glass kettle of your company brand, like the glass cup, goblet, electric kettle and so on. This metal Glass kettle floor display stand has the metal sheet bending trays. Which would keep your products inside of the layers. The advertising logo would appear on the side, top card, bottom and even the back, If you want. It is simple and clear to show your products. The display is steady structure because it used the pegboard for back wall. It is a small rack and do not cost too much, But good display your brand to the clients. we always produce the good quality and strong display rack. But do not make any troubles for the after service. And it is folded packing and cheaper cost for logistics. The advertising floor display make chance to sale your products. The Main parameter information is as followed. Contact me if you have more question.
